# MEN'S ASSOCIATION *of* WALDEN

The September Men's Breakfast was well attended and the food, especially the Omelet Bar, was very good. The kitchen had to scramble to keep the buffet full. Please respond to the monthly email when you plan to attend to assist the wonderful Chefs to have sufficient food. If you are not getting the monthly emails, please let Peter Livingston know and he will add you to the distribution. [pliving45@outlook.com](mailto:pliving45@outlook.com).

The speakers were Ray Geiselhart (MUD 9), John Tryon (MUD 8) and Jack Patton (MUD 8). The topics covered included: General overview of the duties of the MUD Board of Directors; overview of the Water System and facilities; overview of the new Wastewater Treatment Facility and a review of the Walden MUDs website... [www.waldenmuds.com](http://www.waldenmuds.com).

In addition to the technical discussions, it was emphasized that the website is a great resource for information about the Walden MUDs. It was mentioned that all residents will help themselves and the MUDs save money by a) being Water Smart; b) signing up for e-Statements (which means you get the monthly statement faster and cheaper by email vs. the USPS), and c) why wipes that say they are disposable are NOT disposable into the Walden sewer as they are not biodegradable and the cause lift station pump problems. There is a lot more information on the Website. Our next Men's Breakfast will be Friday October 4, 2024. Please plan to join us for a wonderful breakfast and fellowship.

# IN THE garden

By Margie Barlow  
Montgomery County Master Gardener (2002)  
MargieLBarlow@gmail.com

We experienced quite a bit of rain in September and our weather started to cool off somewhat which was a welcome relief. The cooler weather should energize all of us and help us get out and work in the flower beds and get our grass ready for the winter. I'm sure that all of you applied Fungicide in September which means this month we need to winterize our yards. Make sure the fertilizer says "Fall" or "Winter" formula and I recommend Nitro-Phos Fall Special which is a 8-12-16 blend. You will also need to apply Pre-Emergent Herbicide October – November which will help prevent weed seed from germinating December and January.

If you lost trees during hurricane Beryl, now is the time to replace them. Planting now will allow the root system to get established and reward you with vibrant growth in the spring. If you have oleanders, October is also the time to prune them back. If you trim them by hand, you will have nice full growth in the spring.

This is also the time as you very well know, to plant fall colors like snapdragons, mums, pansies, etc. If you have butterfly weed planted and caterpillars are chomping away, this means that we will have a mild winter which is fine by me. I personally hate cold weather.

If you are lucky enough to have roses planted, this is also the time to remove dead wood but don't do any heavy pruning until February. You can spread cornmeal around the base of your rose bushes to suppress fungus if you have a problem with fungal diseases and please don't

fertilize until February. Since we are headed into fall and winter, I'm hoping to make a few changes to my articles going more in depth in to plants on what to buy and what not to buy. No telling what else I might come up with. Stay tuned.

## Memory Park

Did you know that we have a hidden gem in Montgomery? It's located behind the library in Montgomery and is attached to Fern Land. Those of you that enjoy reading my gardening article should definitely go for a visit. We have absolutely beautiful gardens and we just added two more by Storybook Walk. There is a walking path around a 2-acre pond with fountains, a rose garden with fountain, a waterfall with a buffalo that flows into the pond, Longhorn steer, bridges, pavilion etc. Memory Park gets a lot of visitors from the surrounding area, and I've met people that say they drive from Katy or Kingwood just to enjoy our park.

I put in four donation boxes when my mother passed away to help raise money for all of our maintenance. This includes not only pine straw and plants, but also pays a group of guys that come out the third Saturday of the month. They do stuff that we old folks can't do.

The pavilion is in need of repair as it was sagging in so many areas. The cost exceeds \$50,000.00 and we desperately need some donations. This is a charitable donation as we are a 501 3C. You can make a check payable to Memory Park or leave a donation and place it in one of the four donation boxes. No amount is too small. Please help us complete this project. This pavilion can also be reserved for your functions. We've had numerous weddings and memorial services at the pavilion and different photo ops are always being done around the park. Please support this worthy cause.

# LADIES ASSOCIATION *of* WALDEN

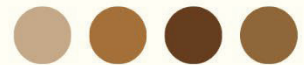

Hello Ladies,

As we begin to see the colors of autumn in our landscapes and cooler breezes greet us, I extend a warm greeting to the Walden community. Mike and I have spent a wonderful month cherishing moments with our children, grandchildren, and visiting relatives in Charlotte, NC. We feel incredibly blessed, though a bit tired from assisting with our newest granddaughter's nighttime feedings.

I want to express my heartfelt thanks to everyone who attended our September luncheon. Your presence was greatly appreciated, and I hope you found Donna Dorrell's talk on home transformation as enlightening as we did. Donna, owner of Donna's Home Furnishings, shared valuable and enjoyable tips on decluttering and refreshing our living spaces with accent walls, accessories, and furniture.

Updates from Patti Rutledge, LAW Treasurer, Bette Garland, Directory Chair, Shaun Bejrowski, Special Outings Chair, and Robin Garnett, Woman of the Year Chair, were highlights of the luncheon. Shaun provided a preview into our

upcoming special outings, such as the Wine Tour on September 27th to Chapelton Vineyards and Threshold Vineyards, and the Hodge Podge Cooking Demonstration on Friday, November 8th. Group discounts will also be available for upcoming Symphony and Theatre concerts and performances. # SCAM ALERT

## MCTXSheriff Warns Residents of Scam Calls

The Montgomery County Sheriff's Office issues a warning regarding telephone scams targeting Montgomery County residents.

Scammers are posing as employees of the Sheriff's Office by name and calling citizens to demand payment. The scammer, who is providing various scenarios, is demanding payment to avoid being arrested. The scammer instructs the victim to purchase Bitcoin or gift cards. The scammer uses a technique called "spoofing" to make it seem like the call is coming from the Montgomery County Sheriff's Office phone number, so be careful and don't fall for it. The Montgomery County Sheriff's Office advises anyone who receives this type of call to hang up and verify.

Another telephone scam that has been circulating is scam callers contacting residents, claiming they are either with the Montgomery County Sheriff's Office or an employee of a bonding company. The scam caller will contact an incarcerated individual's family member or friend and advise them that they need money to post their family/friend's bond. Scammers often provide a CashApp, Zelle, Venmo, or other money transfer app as a payment option. Once the money has been transferred, the scammer deactivates the account and phone number they used.

Anyone who receives this type of call is encouraged to ignore them. The Montgomery County Sheriff's Office WILL NOT call and request that you transfer funds.

Many bonding companies will post their CashApp, Zelle, Venmo, etc., account information on their website so the account can be verified before transferring funds. If you receive a call from someone who identifies as an employee of a bonding company, you can contact the bonding company's published phone number to verify their identity.

It is important to note that the Sheriff's Office WILL NEVER call and request that you transfer funds to pay fines or fees over the phone. Here are some additional tips to remember regarding these types of scams:

- Be wary if you are being asked to act immediately. Scammers typically try to push you into action before you have time to think.
- The Montgomery County Sheriff's Office never calls or emails citizens to advise them of paying fines or fees.
- Never send money, account information, or gift card information to someone over the phone.
- To ensure you are truly speaking to a member of the Montgomery County Sheriff's Office, you should hang up and contact the main number directly, 936-760-5800 option 3, and then ask to speak to the law enforcement officer who called you.
